

A stylized landscape graphic featuring a blue sky with white stars, a purple mountain range, and green grasslands. The graphic is positioned on the left side of the slide, with the text 'Welcome to Our First Public Meeting!' overlaid on it.

Welcome to Our First Public Meeting!

Ramona Grasslands

WHY WE ARE HERE

- Introduce Team
- Outline Planning Process
- Share Information

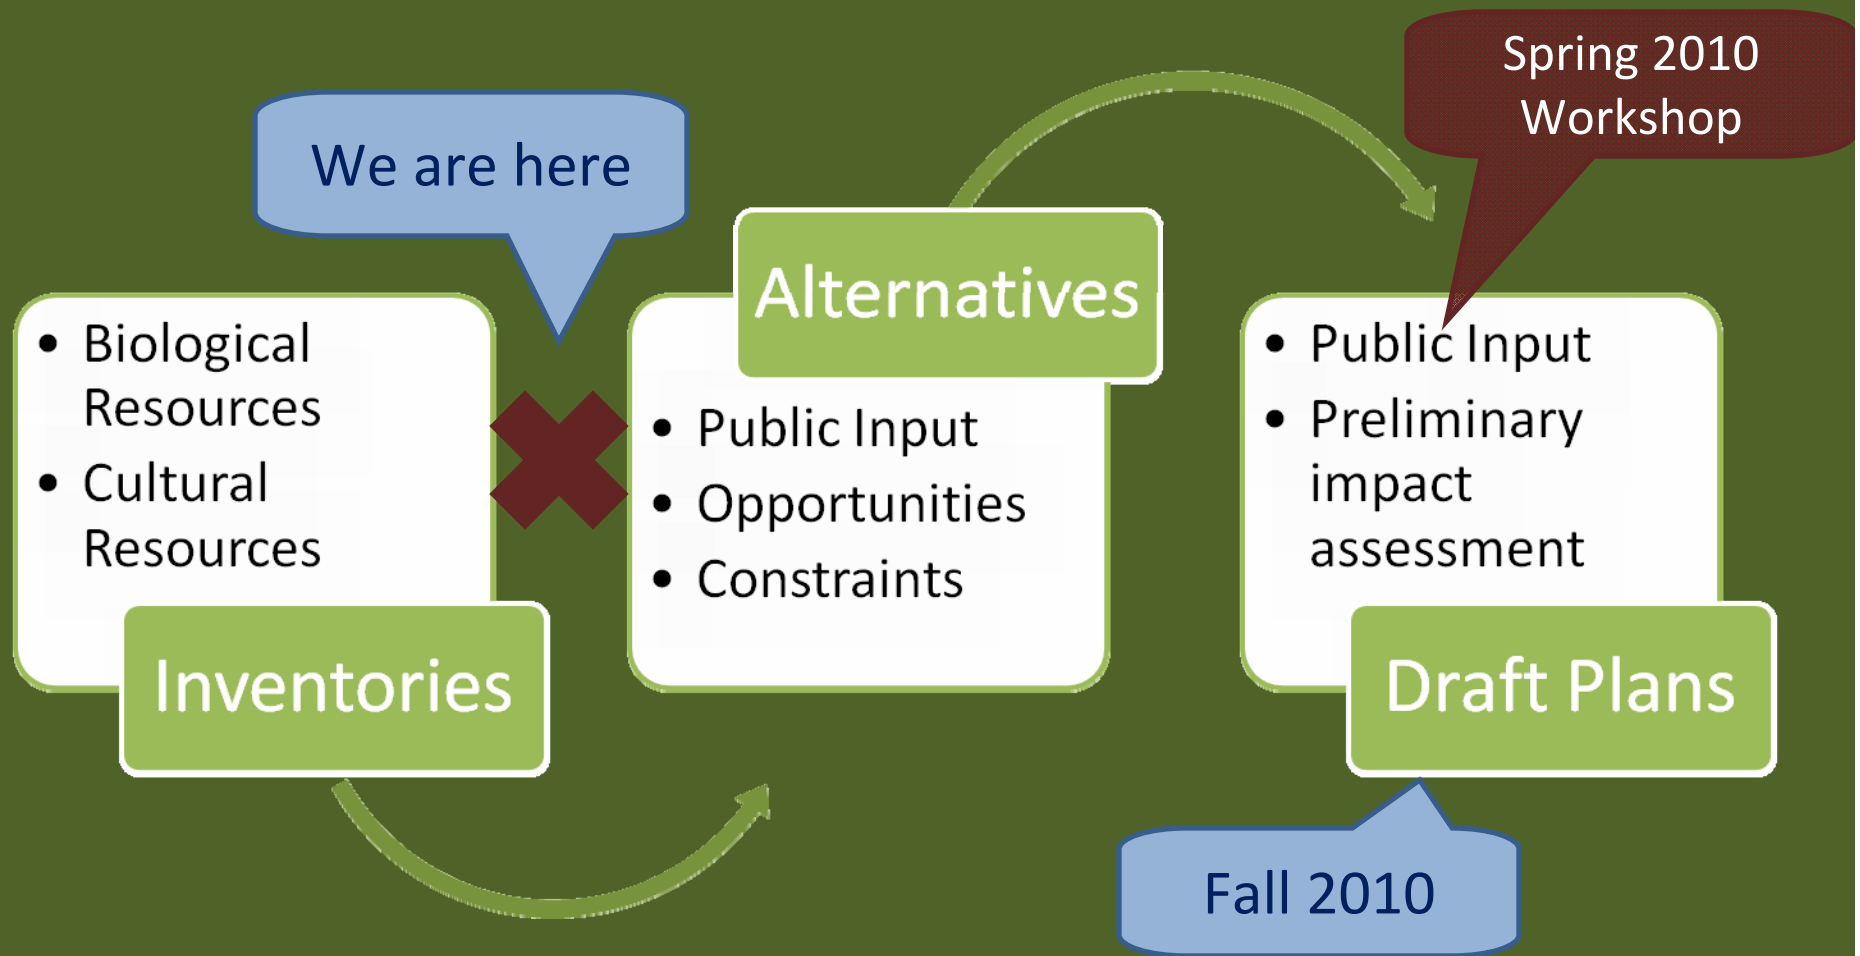

PLANNING PROCESS

- Resource Management Plan
- Public Access Plan
 - Focus of this meeting

WHERE WE ARE IN THE PROCESS

SOME QUICK “GRASS” FACTS

- 3,490 acres
- 23 land cover types
- 626 species
 - 409 plant species (16 special status)
 - 217 wildlife species (40 special status)
- 236 records for pre-historic and historic resources

OUR GOAL TONIGHT: LEARN YOUR PRIMARY INTERESTS

- Focus on public access
- Discuss opportunities and constraints
- Share your thoughts

FOUR INFORMATION STATIONS

- Preserve Area Overview
- Biological Resources
- Cultural Resources
- Opportunities & Constraints

WAYS TO PROVIDE YOUR INPUT

- Talk with us at each station
- Write your comments
- Fill out our mini-survey

AT THE END OF THE WORKSHOP

- Reconvene as group
- Hear summaries from each station
